PROFESSIONAL SUMMARY

I'm a highly skilled and well trained web developer with exceptional problem solving skills and a strong commitment to collaboration. My years of experience in web development have seen me undertake some of the most demanding projects. My attention to detail, high level of organisation and swiftness will ensure your jobs exceed the required expectation even with the tightest of deadlines.

EXPERIENCE

WEB DEVELOPER, Oyo, Oyo

Prudent Computers, June 2021–Present

- Designed and implemented website from initial concept,site architecture and wire frames to finished deliverable.
- Converted design assets into component-based HT ML, CSS and JavaScript.
- Leveraged strong understanding of WordPress core to manipulate admin and theme components.
- Installed required plugins and additional coding to fit final design and functionality requirements.
- Delivered quality commercial websites that met coding standards and cross-browser compatibilities.
- Collaborated with design and project developers to understand project scope and offer elegant, creative and scalable solutions.
- Created and updated re-usable code libraries to streamline WordPress development cycle.
- Designed and executed security measures such as firewalls and encryption.
- Delivered user support to clients to train, educate and answer questions.
- Maintained strict budgetary and scheduling guidelines to satisfy with high-quality targeted designs.
- Collaborated with in-house web designers to create sleek and innovative UI design.
